**Re: Whitehorse Condominium Corporation 275
Complaint Settlement Agreement**

On May 19, 2023, the Yukon Utilities Board (YUB) notified parties to this complaint of the need to address preliminary issues before considering the matter. In particular:

- 1) AEY will be deemed a party to the application, and
- 2) whether parties had any concerns or objections to certain YUB members participating in a decision on the application.

ATCO Electric Yukon submits that it has no concerns or objections regarding these preliminary issues.

Please contact me at chris.cullingham@atco.com if you require any further information regarding this submission.
