Dear Ms. McCullough and Board Members,

I am writing to request intervener status in the proceedings of the AEY-YEC 2024-25 Terms and Conditions of Service Application.

My concerns include meters and metering options, estimated and supplementary meter reads, calculation of bills and fees and charges.

Other concerns may appear as I continue to review the documents. I hope to participate fully in the proceedings, however my participation may be limited due to other commitments and depending on schedule changes of the proceeding.

Sincerely,

Nathaniel Yee
