**Subject:** RE: YUB Board Order 2007-4 and Appendix

I wish to have observer status for the Carmacks-Stewart Transmission Project Part-3 Review by the Yukon Utilities Board. I am Senior Advisor Special Projects and work in the Department of Energy, Mines and Resources focusing on energy related matters. Since I will be away after May 15, I'm also requesting observer status for Robert Collins, Energy Resource Analyst, Department of Energy, Mines and Resources.
