**Subject:** Re: PWP IRs to YEC re CSTP

Good evening all,

I have no IRs for YEC as most of the information that I hope to obtain has already been requested by other parties. Thus, I am very much looking forward to full responses to the IRs submitted by the YUB, YECL, UCG and YCS. And the opportunity to cross examine YEC on all matters and any inconsistencies or omissions in YEC's responses to the IR's submitted by the YUB and other parties.

Sincerely:

F. W. Percival, P.Eng.
