Ms. Wendy Shanks, Board Chair
Yukon Public Utilities Board

Dear Ms. Shanks:

Re: Yukon Energy 2008/2008 General Rate Application Interrogatory Responses

I am writing to request on behalf Yukon Energy an extension to the deadline for filing interrogatory responses.

The current schedule, established by Board Order 2008-15, provides for Yukon Energy to file its interrogatory responses by February 27, 2009. On January 30, 2009, Yukon Energy received a total of 843 interrogatories from the Board and other intervenors. Over the past three weeks Yukon Energy has worked towards meeting this schedule; however, it has become clear that due to the volume of responses, the detailed nature of some of the requests and the resources available at this time, Yukon Energy will be unable to complete and deliver all responses by that date.

It is noted that during the recent YECL General Rate Application process YECL similarly applied for and received an extension to its filing deadline. In Order 2008-7, the timeline was extended from the 19 days initially provided to a total of 34 days to complete responses to approximately 700 questions. Based on this recent experience Yukon Energy is requesting that an extension to March 6, 2009 be provided in order to complete filing of all of its 843 responses. Given the current timelines, an extension by one week to complete interrogatory responses should not require any significant adjustments to the balance of the hearing schedule.

Yukon Energy will still work towards the February 27, 2009 date and anticipates filing the majority of responses at that time, but requests that an extension be provided to deliver the balance of responses not completed by February 27, 2009.

Yours truly,
DAVIS LLP
