Attention: Ms. Wendy Shanks, Board Chair

**Re: YEC GRA Pre-Hearing Conference January 7, 2009**

The writer has now received instructions on the point and can advise that the City of Whitehorse supports the suggestion made by YECL's counsel at the above referenced pre-hearing conference that the portion of the YEC GRA seeking approval of an increase in residential runoff rates be deferred to a comprehensive Phase II proceeding including the preparation of a cost of service study. The City notes that according to information provided at the YEC workshop on January 6, 2009, such a study is contemplated "towards 2012".<sup>1</sup>

With respect to the Board's proposal to move the hearing date to the week of April 27, 2009, the City could accommodate that, and the City could also accommodate a hearing during the week of May 11, 2009 as proposed by YECL, so long as the hearing did not commence until at least May 12, 2009. The writer has another commitment on May 11 itself.

Yours truly,

BROWNLEE LLP
