### BOARD ORDER 2022-12

#### WHEREAS:

- A. On August 26, 2022, the Yukon Utilities Board (Board) issued Board Order 2022-10 in relation to Yukon Energy Corporation's (YEC) Review and Variance Application of Board Order 2022-03 (Review Application). The Board granted in part the Review Application for the reasons set out in Appendix A to Board Order 2022-10 — Reasons for Decision.
- B. Specifically, the Board directed that the Review Application will advance to the second phase of the review process only on the limited issue of determining the amount of the risk premium reduction and whether the reduction should be greater than zero but not more than 50 basis points. It indicated that a process for the second phase of this proceeding would be issued.

**NOW THEREFORE** the Board orders that:

The following process schedule for the second phase of the review process is established:

Action	Date (2022)
YEC may file evidence and submissions on the appropriate risk premium reduction.	September 22
Interveners to the 2021 General Rate Application proceeding may participate in this proceeding without filing a request for intervener status	
Information Requests (IRs) to YEC	October 6
IR Responses from YEC	October 20
Final written submissions -- Interveners	October 27
Written reply submission – YEC	November 3

**DATED** at the City of Whitehorse, Yukon, this 6<sup>th</sup> day of September 2022

BY ORDER
