Ms. Deana Lemke, Executive Secretary
Yukon Utilities Board
Box 31728
Whitehorse, Yukon Y1A 6L3

Dear Ms. Lemke:

**Re: Yukon Utilities Board Review of an Electricity Purchase Agreement between
Yukon Energy Corporation and The Tlingit Homeland Energy Limited Partnership**

We write in respect of the correction that needs to be made to Yukon Energy Corporation's Final Argument in the above-noted matter.

At the top of page 10 of the Final Argument, the word "not" is missing from the last sentence. The corrected sentence, consistent with the references provided in footnote 33, reads as follows (the missing word "not" is yellow highlighted):

Especially with the penstock replacing the power canal, YEC does **not** see a big risk of not being able to secure any DCEP shortfalls during the EPA term.³³

If you have any questions, please do not hesitate to contact me.

Yours truly,
DLA Piper (Canada) LLP
