## Memorandum

To: All Parties  
YEC 2017-18 GRA proceeding

From: Deana Lemke  
Executive Secretary  
Yukon Utilities Board

**Re Government of Yukon request for Review and Variance (R&V) of Board Order 2019-03**

In Board Order 2019-03, issued on May 23, 2019, the Board approved a costs award to the Government of Yukon in the amount of \$244,025.32 for Board costs related to the YEC 2017-18 General Rate Application proceeding.

In the attached correspondence dated June 4, 2020, the Government of Yukon requested that the Board review and vary Board Order 2019-03. The Government of Yukon advised that it had inadvertently omitted to include \$124,199.89 of costs incurred in the 2017-18 fiscal year in the Government of Yukon's costs claim for Board costs. The Government of Yukon stated:

In Board Order 2019-03, the Board made it clear that Government of Yukon should recover all hearing-related costs of the Board from the ratepayer, rather than the taxpayer. Due to an error in the information provided to it, the Board made a factual error in the amount awarded to Government of Yukon.

The Government of Yukon requested that the costs award of \$244,025.32 therefore be adjusted to \$368,225.21.

Pursuant to Section 62 of the *Public Utilities Act*, and Section 31(4) of the Board's *Rules of Practice*, YEC and interveners are invited to provide comments on both Phase 1 (review) and Phase 2 (vary) of the Government of Yukon's R&V request by June 24, 2020. The Board will proceed to issue a decision on the R&V request after these comments are received.
