Re Cost claims for the YEC 2017-18 GRA Second Compliance Filing

The Yukon Utilities Board (Board) acknowledges receipt of an e-mail from Mr. McMahon on October 2, 2019 inquiring whether interveners will be eligible to claim costs for this part of the proceeding.

In some instances in the past, the Board has exercised its discretion and allowed cost claims for written proceedings incidental to a general rate application. Section 32 (1) of the *Yukon Utilities Board Rules of Practice* specifically states:

Pursuant to section 56 of the Act, the Board may award costs in accordance with Schedule 1.

With respect to YEC's second compliance filing to its 2017-18 GRA currently before the Board, the Board will accept cost applications for this proceeding. Parties are reminded of the requirement in Section 2.3 of Schedule 1: Scale of costs, which states:

The onus is on the eligible claimant to provide sufficient information for the Board to effectively assess its claim and must address the specifics of the proceeding.
