Re: UCG Request for further and better responses to certain information requests

The Yukon Utilities Board (Board) received a motion from the Utilities Consumers' Group (UCG) on October 23, 2019. The motion sought an Order from the Board requiring Yukon Energy Corporation (YEC) to provide more complete responses to questions submitted by UCG. UCG identified nine questions believed to require further and better responses.

The Board has reviewed the motion from UCG and has established the following process pertaining to the UCG motion:

Process Step	Deadline
YEC response to UCG motion	October 23, 2019
UCG reply to YEC response	October 24, 2019

The Board suspends the current proceeding schedule. A revised proceeding schedule will be established once the Board rules on the UCG motion.
