Attn: Mr. Richard Buchan, Chair

Dear Mr. Buchan,

Re: Yukon Energy Corporation Application for the referral of the Electricity Purchase Agreement (EPA) with Tlingit Homeland Energy Limited Partnership (THELP) to the Yukon Utilities Board for review under the *Public Utilities Act*

In accordance with Board Order 2022-01, I am writing to request intervenor status in the above captioned proceeding before the Yukon Utilities Board.

The issues identified so far that I would like to address are essentially those that are outlined in Board Order 2022-01 Section D. I would also like to understand the implications with respect to existing SCADA connected secondary sales customers. There may also be other issues related to the EPA that arise as I study the Yukon Energy Application in detail. I plan to participate as fully in the process as my other time commitments will allow.

If you require additional information, please do not hesitate to contact me.

Sincerely,

John Maissan
