Re: ATCO Electric Yukon Application to Collect ERA Costs with a Rider S

Dear YUB Members:

Pursuant to Board Order 2023-16, the Yukon Utilities Consumers' Group has two major concerns with the above AEY application:

1. This is obviously again retroactive rate making.
2. Why should the Board reward AEY with half a million dollars of new ratepayer charges when AEY had a surplus revenue of over a million dollars already collected in each of these years?

Accordingly, the Board should deny this application.

If the Board or AEY requires any clarification with respect to UCG's comments, please direct all inquiries to me by email at rondeau@northwestel.net or by phone at 633-5210.

Yours truly,

Roger Rondeau
