- Florian Boulais presentation, Sept. 24, 2021.pdf (330 KB)

All Parties:

On Friday, September 24, 2021, the Yukon Utilities Board received a written submission from Mr. Florian Boulais. The Board understands the written submission to be a presentation, and that Mr. Boulais is applying to be a presenter in this proceeding.

In Board Order 2021-01, issued January 12, 2021, the Board ordered that anyone wishing to make a presentation must register their intent to present by February 12, 2021. Despite the fact that Mr. Boulais only informed the Board of his intent to be a presenter on September 24, 2021, the Board grants Mr. Boulais presenter status for this proceeding. This is because granting him presenter status will not delay the proceeding (See Guidelines for Presenters, January 12, 2021, which states that "Th[e] presentation is the only participation that a presenter has in respect of the proceeding").

The Board will review the written presentation in due course. In the interest of an efficient oral hearing, an additional oral presentation is not necessary in the circumstances.

Please note that Mr. Boulais has been added to this proceeding distribution list.
